To Whom It May Concern,

I am writing this letter of recommendation on behalf of Dakoda Koziol, an Oakley High School student, who is enrolled in the Graphic Communications program at Cassia Regional Technical Center that serves juniors and seniors from five area high schools. In my capacity as an instructor of the department, I have had the privilege of teaching and observing him for the past two years. I have found him to be an extremely motivated and genuine student.

Dakoda is an outstanding individual. He has diversified educational interests. Dakoda demonstrates a strong goal-oriented work ethic. He is able to react quickly and adapt to dynamic situations. He possesses the ability to lead when called upon and is comfortable in being directed as an individual and/or part of a team.

Dakoda is a member of SkillsUSA, a partnership of students, teachers and industry working together to ensure America has a skilled workforce. He recently passed the Workplace Readiness Assessment, proving that he not only has the required abilities to enter a career and technical path, but also ready to enter the workplace with him current skillset.

Dakoda exhibits the qualities needed for high achievement post-secondary classroom and the modern workplace. He is an asset to him school and community and will significantly contribute to the success of any organization. He meets people well and has a pleasant personality.

At a personal level, Dakoda is a well-disciplined, conscientious student. He has proved to be a great individual all around. Dakoda travels appropriately 30 miles from him home high school (Oakley High School) to Cassia Regional Technical Center, which shows dedication. Him enthusiasm for the industry excites me for him future success. I look forward to seeing where this path takes him. I know he will do great things.

In my unbiased opinion he has the perfect balance of ingenuity, personality and dedication required for a person to succeed. Dakoda exemplifies high ideals and will be able to achieve his educational and career goals.

Sincerely,
